**ORDER ACCEPTING FINDINGS, CONCLUSIONS, AND
RECOMMENDATION OF THE UNITED STATES MAGISTRATE JUDGE**

The United States Magistrate Judge made findings, conclusions, and a recommendation in this case (“Initial FCR”) [ECF No. 5]. Plaintiff filed an amended complaint and separate motion for leave to file an amended complaint. *See* ECF Nos. 8 & 9. The United States Magistrate Judge then supplemented his findings, conclusions, and recommendation (“Supplemental FCR”) [ECF No. 10]. No objections were filed to either the Initial FCR or the Supplemental FCR. The District Court reviewed both for plain error. Finding none, the Court **ACCEPTS** the Initial FCR and the Supplemental FCR.

SO ORDERED.
